CWR Mobility awarded Partner of the Year 2010

2010 Partner of the Year Mobility Solutions Business Application Winner

CWR Mobility BV is proud to announce it is a Microsoft Partner Awards winner as Mobility Solutions Business Application Partner of the Year. We were chosen out of an international field of top Microsoft partners as delivering market-leading customer solutions built on Microsoft technology.

"Microsoft is proud to recognize CWR Mobility as the Mobility Solutions, Business Application Partner of the Year for their Mobile CRM solution, which leverages both Microsoft Dynamics CRM and the Windows Mobile platform," said Andrew Lees, senior vice president, Mobile Communication Business, Microsoft Corp. "This innovative solution provides sales and service personnel with instant access to important customer information when and where they need it. Furthermore, CWR Mobility demonstrates their leadership in the space through the strong customer adoption of their solution alongside their commitment to Windows Phone."

The Microsoft Partner Awards recognize Microsoft partners that have developed and delivered exceptional Microsoft-based solutions over the last year. The complete press release can be read at the [CWR Mobility Website](#).

CWR Mobile CRM is Certified for Microsoft Dynamics CRM

CWR Mobile CRM is awarded Microsoft Corporation's highest standard for Partner-developed software solutions.

Solutions that are Certified for Microsoft Dynamics (CfMD) have demonstrated development quality and compatibility with Microsoft Dynamics products. Veritest, a service of Lionbridge, performed independent and rigorous testing on the solution's integration with the newest version of Microsoft Dynamics CRM.

"CWR Mobile CRM 3.x and 4.x were always Tested Solutions for Dynamics CRM.", says Erik van Hoof, founder of CWR Mobility, "We value quality in our software and by this certificate we show that our software meets the highest quality, recognized by Microsoft, Veritest, as well as our customer references."
